PROFESSIONAL ACTIVITIES

Massachusetts Institute of Technology, Center for International Studies, Executive Director and Principal Research Scientist, October 2004 - present. The Center's mission is research, training, and public education, with programs on international education, security studies, human rights, environmental governance and sustainability, migration, the Middle East, etc. My research: the Persian Gulf Initiative, human security, armed conflict, immigrant rights and security, U.S. foreign policy, urban violence, and others.

Social Science Research Council, Program Director, Program on Global Security and Cooperation, Sept. 2000 - Oct. 2004, and Washington Office Director (2001-04). SSRC is an academic think tank founded in 1922. Projects created and managed included migration and security; globalization and conflict; humanitarian crises, multilateralism and international law. Administered large fellowship program for dissertation students and post-docs; outreach to Washington policy community.

Fulbright Senior Scholar, Republic of Cyprus, December 1999 - September 2000, conflict resolution. Included the creation of a Web site to develop a unitary historical narrative of the conflict (www.cyprus-conflict.net; inactive since 2009).

Winston Foundation for World Peace, Executive Director, April 1986 - December 1999, Boston and Washington. Grant making (averaging \$1 million annually) on education, conflict prevention, human rights, sustainability, and nuclear disarmament. Convened dozens of meetings of NGOs on those issues; published *Nuclear Times*; was active in the philanthropic community. Managing Consultant to the **Henry P. Kendall Foundation** in 1989-92, which principally funded in environmental issues (marine life, climate change) and arms control; and managed the **CarEth Foundation**, Boston, 1990-94, which funded peace, economic justice, and human rights.

Union of Concerned Scientists, Cambridge, Mass. Senior Editor and Director of Communications, 1982-86. Planned and coordinated research on energy and environmental policy, nuclear power, arms control. Managed all public programs and media relations. Organized and edited two key volumes on "star wars" and was a leader in the advocacy efforts on all UCS issues.

New England Regional Commission, Boston, Senior Adviser, Energy and the Environment, 1980-82. A federally-funded governors' council (disbanded by Pres.

Reagan). Principal task was analysis and policy recommendations for governors' staff, promoting renewable energy and conservation.

TIME magazine, reporter, 1977-79, New York, reporting on energy, national politics, and business and economics.

EDUCATION

Ph.D., Boston University, 1981, in political science (political theory). Teaching Fellow, 1972-75, College of Liberal Arts. Metropolitan College Scholar, 1974. Major professors: Howard Zinn, Frances Fox Piven, Alasdair MacIntyre. Dissertation: "Energy, Technology, and Democracy."

B.A., Indiana University, Bloomington, 1972, major in political science and minor in history. Indiana University Foundation Scholar, 1971-72.
